

BEFORE THE NEBRASKA DEPARTMENT OF ENVIRONMENTAL QUALITY

IN THE MATTER OF)

Case No. 3378

Prairieland Dairy, LLC.)

FID# 73762)

Respondent)

**AMENDED
CONSENT ORDER**

I. INTRODUCTION

1. The Nebraska Department of Environmental Quality (NDEQ) and Prairieland Dairy, LLC, (Respondent) voluntarily enter into this Amended Consent Order. The previously-entered consent order in this case, related to Respondent's Solid Waste Compost Facility Permit (IWM Permit No. NE020461), shall remain in full force and effect, except paragraph 35, which is amended to the following:

2. Respondent shall ensure that **STATIC PILES** are managed as follows:

- a. by April 1, 2018, Respondent shall incorporate all remaining static piles of meat wastes and other solid wastes into compost windrows. If Respondent cannot incorporate all static piles into windrows by this date, Respondent shall dispose of all material in static piles at a permitted municipal solid waste landfill;
- b. until fully incorporated into compost windrows or disposed at a permitted municipal solid waste landfill, static piles being stored off the compost pad will be protected from runoff by temporary earthen berms until removed or incorporated into windrows; and
- c. Respondent shall not add compost material, solid waste, or other material to existing static piles and agrees not to create new static piles of these or other materials.

3. For Respondent: The undersigned representatives of Respondent certify that each is fully authorized to enter into the terms and conditions of this Amended Consent Order and to bind Respondent.
