

BEFORE THE NEBRASKA DEPARTMENT OF ENVIRONMENTAL QUALITY

IN THE MATTER OF
THE CITY OF CRAWFORD,
Respondent

Case No. 2917

AMENDED COMPLIANCE ORDER.

NOW this matter seeking amendment of the Orders herein of February 18, 2009, and August 12, 2009, came before the Director on the requests of the City of Crawford dated August 27, 2010. The City of Crawford asks that the time within which it is required to submit plans and specifications for wastewater improvements be extended “for several weeks.” The request of August 27, 2010, identifies activities that the City of Crawford has undertaken relevant to submission of the required plans and specifications.

IT IS THEREFORE ORDERED that the compliance date for submission of plans and specifications previously provided is extended to September 30, 2010, and that in all other respects the Orders of February 18, 2010, and August 12, 2010, are ratified and confirmed.

Dated: September 2, 2010
